Omaha, Nebraska 68107

Dear Mr. Wesolowski,

This is to confirm that KUTA Radio did sign on the air on Monday, Feburary 17, 1975 at 6:00 AM with a power of 500 watts pre sun rise and 1,000 watts day-time power on 790KHz. Your report of the reception seems to be acurate.

Dale Holmes, General Manager
